Los Angeles

GRAPHIC DESIGN BY LOWLANDER www.lowlander.org

On Queen's Day the Dutch gather, dressed in orange, to celebrate the birthday of their Queen. This year the Dutch community in Los Angeles invites everyone to celebrate their most beloved annual holiday.

Queen's Day will be filled with all things Dutch including tulips, flea market, live musical performances from Holland, Dutch beer, Dutch food and special games for kids. Join us on April 28th at the Home Depot Center in Carson for this special family-friendly event!
